

Photography Portfolio Submissions

Portfolios should contain a selection (20-30 images) showcasing your recent photography, and include:

- At least one photo essay, depicting a single subject matter or topic as a visual story, in 6-8 images
- A variety of techniques, including studio lighting, and off camera-flash
- A variety of photography types, including portraiture, photojournalism, and commercial work

Each image should be accompanied by a caption, of around 30 words, describing the 'who, what, where, when' contained within the image.

The portfolio should be PDF format, not larger than 9mb, and include a cover page with your name, and any relevant social media accounts (ie Instagram), or websites.
