

## Practice Sample Test for Abstract Reasoning.

Give yourself fifteen minutes to answer these questions. In this test you will look at relationships between series of letters, numbers and words. Each question in this test contains a series of numbers, letters and words which have some connection with one another. Whenever you see a star, a letter, number or word has been missed out; you have to work out what the missing letters or numbers are. You have to print the missing letters or numbers on the right-hand side of the page. You should have one letter or number in your answer for each star shown in the question. Answer as many items as you can in the time allowed.

1. 12 14 16 18 \* \* \_\_\_\_\_
2. B D F H \* \_\_\_\_\_
3. television watch car drive book \* \* \* \* \_\_\_\_\_
